

START RECYCLING RIGHT

What can you recycle at home?

recycler[✓]right

Knowing what goes in and what stays out helps keep recycling clean and valuable.

Yes please

- Plastic bottles, pots, tubs, trays and tubes
- Glass jars and bottles
- Tins, cans and aerosols
- Foil and foil trays
- Cartons and Tetra Pak

No thanks

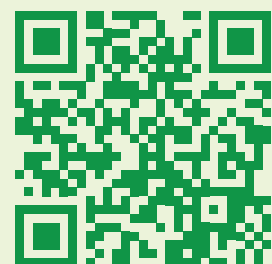

- General kitchenware
- Laminated foil
- Paper takeaway cups
- Crisp/sweet wrappers
- Full food & drink cartons
- Cartons with straws
- Carrier bags

Loose. Clean. Dry.

That's how to recycle right at home.
